

Dear valued partner,

Greetings from Nungwi Beach Resort By Turaco Zanzibar.

As we strive to constantly better our facilities for the comfort and convenience of our valuable guests, we are planning a **full renovation of our main swimming pool area** including all fixtures and furniture as well as partial renovation in the lobby area.

The refurbishment is expected to take place between April 29th 2024 until May 31st 2024 during which the pool area will not be accessible while the lobby area will be limited to pathways to allow entrance and exit as well as a temporary reception desk for check ins and check outs.

The work will involve a limited amount of noise and dust during the day which we will do our best to keep to a minimum to make our guests as comfortable as possible.

We apologize in advance for the inconvenience this may cause and we rely on your understanding to support us during the renovations to help us better our product.

For any further information or inquiries, kindly email us on znz_res@turacollection.com , and we would be delighted to assist you accordingly.
