Highlights

- Okavango Delta water-based activities
- Predator Sightings
- Game drives and boating in Moremi Game Reserve and the Chobe National Park

Day 1-2 OKAVANGO DELTA

On arrival at the Maun International Airport, guests will be met and assisted for a scheduled transfer by light aircraft to Camp Okavango.

Situated in the north-western corner of Botswana, the Okavango Delta is a World Heritage Site, the largest inland delta in the world. Commonly spotted animals include lion, rhino, leopard, giraffe, hippos, elephant, crocodiles, and countless species of bird.

The Okavango Delta is affected by seasonal flooding with flood water from Angola reaching the Delta between March and June, peaking in July. This peak coincides with Botswana's dry season resulting in great migrations of plains game from the dry hinterland.

Guests can enjoy a number of activities such as game viewing, fishing, bird watching or taking an authentic guided Mokoro excursion through this wetland paradise in a traditional dugout canoe.

Camp Okavango, a unique and exclusive African safari camp, is situated on the remote Nxaragha Island. The main area comprises of a network of interconnected walkways linking up two lounge areas, a dining room, library, self-service bar, and curio shop.

This hidden treasure, in the heart of the permanent Okavango Delta, assures its guests of an unparalleled year-round water wilderness experience.

Overnight at Camp Okavango – Fully Inclusive.

Day 3-4 MOREMI GAME RESERVE

After breakfast, guests will be transferred to the airstrip in time for the scheduled transfer by light aircraft to the Moremi Game Reserve, and the next camp, Camp Moremi.

The Moremi Game Reserve is known as one of the most beautiful reserves in Africa, covering more than 4 871km² of pristine wilderness. Moremi is home to diverse wildlife including predators, birdlife and beautiful antelopes. It is home to the most endangered species of large mammals: the cheetah, white rhinoceros, black rhinoceros, African wild dog and lion. Over 500 bird species (from water birds to forest dwellers) and over a 1 000 species of plants are also recognized in this region.

This ecosystem is amongst the richest in Africa. And thanks to effective protection, the flora and fauna is relatively undisturbed. Within the larger UNESCO listed Okavango Delta Game Reserve, Moremi covers about 40% of the Okavango.

The Moremi and the Okavango Delta is one of the few interior delta systems that do not directly flow into the ocean or sea. The annual flood makes for a spectacular interaction between water and wildlife, as animals synchronize their cycles with this seasonal flood.

Guests can discover a unique land while staying in one of the intimate camps in the Moremi and let the river take them on an adventure.

Guests will enjoy game drives in open 4WD vehicles in the mornings and afternoons, as well as explore the Xakanaxa Lagoon and surrounding Okavango channels by boating safari. Peering out beneath giant ebony trees, Camp Moremi brings true meaning to the word safari in the Xakanaxa region.

Guests can enjoy the secluded swimming pool, the lagoon-side viewing deck with views of the landscape of the Xakanaxa Lagoon, an open plan dining room, lounge and bar in the elevated thatch and timber building.

Overnight at Camp Moremi – Fully Inclusive.
