Day 2
NYUNGWE FOREST NATIONAL PARK
After breakfast, guests will be collected by their guide and transferred to Nyungwe Forest National Park, about a 6-hour drive from Kigali.
Nyungwe Forest National Park is also home to a rich variety of flora and fauna; 13 recorded species of primates, including the Angola colobus and an estimated 500 chimpanzees as well as the L’Hoest monkey, olive baboon, grey-cheeked mangabey and red-tailed monkey.
Bird enthusiasts will not be disappointed, with over 300 species. In the afternoon, guests will be taken for a canopy walk. From the park information centre, descend the 40 degree slant via a zig-zag foot path to the first tower deep in the forest valley for the 1½ hr walk on the Canopy Walk's suspension bridge. Guests then return to the lodge and spend the day at leisure.
Overnight at Nyungwe Top View Hill Hotel – Lunch, dinner, and breakfast.

Day 3
NYUNGWE FOREST NATIONAL PARK
Guests rise at dawn then board their transfer at 4.30am to the forest for a chimpanzee tracking experience. Although it is possible to track and see chimpanzees in Nyungwe Forest, this is very hilly terrain in a rainforest and the chimpanzees themselves are only semi-habituated and tend to move far and wide over a large area. This makes the tracking difficult and unpredictable and sightings the chimpanzees hard to guarantee. The national park does not practice a refund policy in case of failure to sight. In the afternoon, guests will be taken for another canopy walk.
Overnight at Nyungwe Top View Hill Hotel – Lunch, dinner, and breakfast.

Day 4
GISENYI
Upon sighting the gorillas, guests will stay with them for an hour as they go about their daily life of feeding, playing, resting and raising their young. Coming face-to-face with a giant silverback must truly be one of the greatest wildlife adventures! In the afternoon, guests will be able to visit a local community.
Overnight at Tilorezo Volcanoes Ecolodge – Lunch, dinner, and breakfast.

Day 5
VOLCANOES NATIONAL PARK
After an early morning breakfast, guests will be collected by their guide and are transferred to the Volcanoes National Park headquarters for a briefing of the gorilla tracking experience and allocation of the trekking porters. Guests will then start their gorilla trekking adventure at the foothills of the Virunga mountains, with stunning views in all directions.
