

Cango Caves Adventure Tour

Code: CAN004

Option: ADVTOU

Make your own way to the Cango Caves.

Brimming with unique rock formations, the cellar like chambers and low passageways create a labyrinth. Crouch, crawl, duck, snake and squash your way through these caves. One of the world's great wonders, the kaleidoscopic colours reveal the magnificent limestone creations intricately sculpted by the nature.

Delving into the pit of one of Africa's deepest caves, this once in a lifetime experience is not for the faint of heart. You will be guided by an experienced and knowledgeable cave guide who will show you the underground wonders of this cave. The Cango Caves Adventure tour involves going up the 200 steps of Jacob's ladder to the Grand Hall before passing through Lot's Chamber, where natural rock formations mimic the biblical "Lot and his wife", who were transformed into pillars of salt.
