

8 days CLASSIC KALEIDOSCOPE

Travel with a Purpose

Discover the haunting landscapes of the Skeleton coastline and some of the last, open, wilderness areas in Damaraland. Be amazed by the desert-adapted wildlife and the contrast of the variety and amount of species in Etosha. This tour is a classic kaleidoscope of landscapes and wildlife, making Namibia the unforgettable African destination.

Day 1-2 | Friday - Saturday SWAKOPMUND

After being picked up at your hotel or at the international airport a transfer takes you to the coastal town of Swakopmund, where you meet up with the rest of the group and your safari guide. Upon your arrival in the early afternoon and checking into your hotel, you have the rest of the day to your own disposal. With palm-lined streets and seaside promenades, Swakopmund is a popular holiday destination in Namibia, often fondly referred to as the "playground of Namibia".

Embrace the relaxed pace of this idyllic coastal town while enjoying coffee and freshly baked pastries in one of the many cafés. Alternatively explore the rugged, sweltering desert on a day tour, or view this awesome environment from the air on a scenic flight. Take time to get the feel of this quaint town with its historic buildings, museums, shopping arcades and beach bar that has transformed into its personality by the vibrant use of colour and the bohemian lifestyle.
