Travel with a Purpose

Experience Namibia's entirety from the abundant wildlife in the Etosha National Park, southern Africa's largest open-air museum at Twyfelfontein and the surreal dunes at Sossusvlei and Dead Vlei.

Day 1 | Monday ETOSHA NATIONAL PARK

You are transferred from your accommodation in Windhoek to the Eros airport where your pilot meets you. Depending on the weather condition, the departure is at approximately 08h30.

The flight takes us to the border of the Etosha National Park, where an afternoon open game drive through the national park is the highlight of the first day.

Overnight at Etosha Village - Dinner.

Day 2 | Tuesday ETOSHA NATIONAL PARK

In an open game viewer vehicle, the day is devoted purely to the abundant wildlife found in the Etosha National Park, which surrounds a parched salt desert known as the Etosha Pan. The park is home to 4 of the Big Five - elephant, lion, leopard and rhino.

Despite the size of the Etosha National Park, only the southern edge of the pan is accessible to visitors. Game viewing in the park is primarily focussed around the waterholes, some of which are spring-fed and some supplied from a borehole, ideal places to sit and watch over 114 different game species, or for an avid birder, more than 340 bird species. An extensive network of roads links the over 30 water holes.

Overnight at Etosha Village - Breakfast and dinner.

Day 3 | Wednesday DAMARALAND

After a relaxed breakfast, the flight continues south across the mountainous region of Damaraland to the UNESCO World Heritage site of Twyfelfontein. In the afternoon, you join a local ranger to explore this spectacular semi-arid desert in search of the elusive desert elephants that roam this area. Here you will have unforgettable opportunities for memorable photos of these gentle giants in unparalleled natural scenery.

Overnight at Twyfelfontein Lodge - Breakfast and dinner.

Day 4 | Thursday SWAKOPMUND

In the morning, visit Twyfelfontein. Leaving the majestic mountain ranges far below, fly over Namibia's highest mountain - the Brandberg and across endless desert plains to the coastal town of Swakopmund.

After your arrival in this idyllic town, you have some leisure time at our disposal. Dinner can be enjoyed in one of the excellent restaurants the coastal town has to offer (not included).

Overnight at Hansa Hotel - Breakfast.

Day 5 | Friday SWAKOPMUND

A transfer takes you to Walvis Bay where you embark on a catamaran cruise exploring the marine life around the lagoon and harbour of Walvis Bay. You may get a chance to see swooping pelicans, seals, dolphins and - during the season - even whales, sunfish and turtles! Around 12h30, your skipper will drop you off at the Walvis Bay Waterfront where your Sandwich Harbour 4x4 guide will meet you for the excursion to Sandwich Harbour in one of our 4x4 drive vehicles.

If weather and tides allow, you continue right to the Sandwich Harbour Lagoon, one of Southern Africa's richest and unique wetlands and one of 5 RAMSAR sites in Namibia.

Wedged between the sea and the Namib Dunes, it is one of Namibia's most important coastal wetlands, supporting eight endangered species among the large numbers of wading birds. Several archaeological sites dating back 1.000 years exist within site. If the vehicles cannot drive all along the beach to get to Sandwich Harbour because of high tide, you will get a chance to see the lagoon area from one of the many beautiful lookout spots on top of the towering dunes. Lunch is served along the beachfront or on top of the dunes allowing for endless scenery.

After reaching the Walvis Bay Jetty, you are transferred back to your hotel in Swakopmund.

Overnight at Hansa Hotel - Breakfast.
