It's a truly awe-inspiring experience – the sight, the sound, the smell; the humbling feeling that here indeed is Nature's Supreme Masterpiece. No photograph can begin to depict the reality...and nothing prepares you for your first sight. The Victoria Falls – Now In Its 150 Millionth Fantastic Year – Reaches Its Zenith In About May each year.

This tour is conducted in the morning and afternoon. En route, clients may be taken past the 'Big Tree' where they may stop and take photos. Clients will be accompanied through the Rainforest by one of our qualified Guides who will give a brief history of the Falls themselves as well as detailing the flora, fauna, bird & wildlife and other points of interest. Guides are also happy to assist clients with photographs whilst visiting this most spectacular of waterfalls. Raincoats are provided when needed.

Enjoy some time at leisure.

Dinner | Tonight, guests will enjoy a buffet dinner and cultural show at The Boma.

This is not just another ethnic restaurant, but a unique cultural experience. Excellent cuisine, including a variety of game meats and traditional Zimbabwean dishes, is accompanied by entertainment throughout your meal from traditional dancers, the Sangoma (storyteller) and a local fortune teller who is available for fortune telling. The Boma is open for dinner from 7.00pm until late 365 days of the year. The Boma nestles in a Gusu Forest and is partly open to the spectacular African night skies. A feast of nightly entertainment incorporates Shangaan dancers and singers and a local fortune teller. Guests are welcomed with a traditional greeting in Shona and Ndebele, the local languages. They are invited to take part in a hand washing ceremony before sampling traditional beer and snacks, as a prelude to dinner. After dinner, guests are invited to wile away the evening with the restaurant's very own Sangoma - a traditional storyteller to learn more about the country's folklore, culture, and heritage.
